Ulster Chapter Seminar 2009

will be held in

The Woodshed

Lowtown Road
Templepatrick

on **Saturday 13th June**

Demonstrations by the one and only

David Springett

The Master of the seemingly impossible

David will be doing a full range of demonstrations of his lattice work and other magical creations to be seen in his books

Wizardry, Adventures and Trickery in Woodturning

David explains each of his projects so that it can be understood.

Woodturners over the centuries have developed a whole range of extraordinary structures which seem at first sight to be quite impossible.

In fact, all of these things can be made by anyone with basic woodturning skills, an ordinary lathe and simple hand tools.

Come along and let David show you how it is done.

Starting at 09 30 and going to 17 00

Refreshments will be supplied

Competitions for

**Faceplate, Spindle, Segmented, Artistic, Open, Novice and Junior (Under 18)
Prizes in all Classes**

Cost will be £30 / €33 for members of IWG

A £10 / €11 supplement for non members

To book a place (limited to 70) send a cheque (IWG Ulster Chapter) for the full amount to Robin Graham, 60 Rhone Road, Dungannon, BT71 7EW
